of Mammoth
and the
Lower San Pedro River Valley region
for **present and future generations.**

.....OUR SECOND YEAR.....

Our **GOALS** for 2011:

- double our membership
- get local historic properties listed on the National Register
- establish our acquisitions process
- plan a Tiger Reunion

- And establish ourselves as a tax-exempt organization under IRS rules.

Your contributions are now tax-deductible.

Let's see how we did . . .

- double our membership

We fell short here.

Can you help?

- get local **historic properties** listed on the **National Register**

Jim Garrison and a couple of his colleagues from the State Historic Preservation Office did a walking tour of our old adobe buildings. He told us they were built between 1880 and 1910.

We have submitted the initial paperwork to try to establish a historic adobe district.

- establish our **acquisitions** process

A board member attended an archives workshop in Phoenix & got sample forms and advice.

- plan a **Tiger Reunion**

**We're working on
this.**

**We'd like to tell you more
about it after this
presentation.**

We also had a community cookout.

Our financial situation:

membership dues + contributions
minus bank fees & P.O. Box fee

as of January, 2012

\$422

Thank
you.

Our **GOALS** for 2012
include:
